

BEFORE/AFTER SCHOOL/PA DAY CARE PROGRAMS

(Kindergarten & School Age)

Boys & Girls Club Banbury CCC

Boys & Girls Club KKDC

Boys & Girls Club Edge St.

SEPTEMBER 2023 - JUNE 2024

PARENT HANDBOOK
AND
REGISTRATION PACKAGE

Welcome to the Boys and Girls Club of Brantford

Thank you for taking the time to consider enrolling your child/ren in our licensed Before /After School/PA Day Care Program(s). The following parent/guardian handbook outlines a variety of areas which are pertinent to providing quality care and developing positive relationships with the staff and agency your child is involved in.

The Boys and Girls Club of Brantford is a community organization committed to providing quality recreational programs which are accessible and affordable to children and youth. Over the years, the Boys and Girls Club of Brantford has grown to become a valued and contributory agency within our community. We are extremely pleased that you have considered us to address your family's needs.

The Boys and Girls Club of Brantford sponsors two licensed programs (3 programs), with over 30 years of experience serving children 18 months to 12 years of age and their families. The three programs are; Banbury Child Care Centre, Kiddy Korner Daycare and BGC Edge St.

The Club is governed by a Board of Directors made up of citizens who are community minded and are responsible for its' operation. The Club is a member of Boys & Girls Clubs of Canada, a cooperative encompassing over 100 Clubs. The Club is also a Brant United Way member agency.

VISION

All children and youth discover and achieve their dreams and grow up to be healthy, successful and active participants in society.

MISSION

To provide a safe, supportive place where children and youth can experience new opportunities, overcome barriers, build positive relationships and develop confidence and skills for life.

MANDATE

The Boys and Girls Club of Brantford is a leading provider of afterschool and critical hours programs, recognized for significantly contributing to the healthy development of young people – especially those who need us most. With families and others in the community, we help children to grow up to be:

- **Healthy**
- **Confident**
- **Responsible**
- **Successful in life**

CORE VALUES

BELONGING – We welcome everyone in a safe, accepting environment based on belonging and positive relationships.

RESPECT – We ensure that everyone – children, youth, families, volunteers, and staff – is heard, respected, valued and treated fairly.

ENCOURAGEMENT AND SUPPORT – We encourage and support every child and youth to play, learn and grow to achieve their dreams.

WORKING TOGETHER – We work together with young people, families, volunteers, our communities and government.

SPEAKING OUT – We speak out with children, youth and families so that we can make our world better

PROGRAM STATEMENT

For almost 50 years the Boys and Girls Club has been helping young people to discover, develop and achieve their best potential by engaging them in activities that challenge and help them develop healthy minds and bodies. Our programs promote positive outcomes in education, active living, nutrition and mental health. Our leaders act as positive role models and take an individualized and strength-based approach to every child's potential.

Achieving ...

EDUCATION

The Boys and Girls Club of Brantford keeps young people on track for a successful future with academic support and fun, hands-on learning experiences.

In our early years program's we use the *Pedagogy* framework (*method and practice of teaching*) when designing program and content (*How Does Learning Happen?*), that is specific to creating goals for children that support self-regulation, identity, social inclusion, health and well-being, language & thinking skills and physical literacy.

During the middle years our after-school programs help young people see themselves as learners in an informal, hands-on environment. We enhance existing skills and provide after-school homework help, mentoring, and access to technology in environments that promote a love of learning and encourage young people to set and achieve academic goals.

Ensuring...

SAFETY

Leaders promote the health, safety, nutrition and well-being of each child by providing a clean and safe environment, nutrition is based on the Canada's Food Guide, access to drinking water, safe transitions, addressing environmental issues, and reducing hazards that may cause injury. Leaders are aware of information relating to medical conditions, allergies, food restrictions, medication requirements, and parental preferences in respect to diet, exercise and rest time.

Promoting...

PHYSICAL LITERACY & NUTRITION

Children participate daily in indoor and/or outdoor physical literacy, active living & play activities such as parachute games, cooperative games, basketball, soccer, baseball and obstacle courses.

Our active living programs and activities instill healthy habits and attitudes and support the unique needs of the children in our care. When warranted quiet/rest time opportunities are also provided for children, which include but are not limited to reading, puzzles, computers and creative arts. With opportunities to increase daily physical activity, engagement in nutritional awareness and healthy eating habits, young people through structured and informal play, learn about physical health and well-being enabling them to make healthy and balanced choices.

Fostering...

CREATIVITY

Leaders foster children's need for exploration, adventure, play and inquiry by providing a variety of activities in an environment that encourage choices and active play. Leaders provide child-initiated and adult supported experiences and introduce new ideas, concepts, and opportunities that expand children's knowledges and experiences. Leaders observe children's interactions and engagement, using that information to plan and create positive learning environments that are based on the interests of the child.

Encouraging...

POSITIVE COMMUNICATION

Children are encouraged to interact and communicate in a positive fashion. Leaders support their ability to self-regulate, acknowledging that children are competent, capable, curious and rich in potential. Leaders provide opportunities, support and encouragement that assist young children learn to self-regulate. Leaders encourage and model a calm and focused environment that supports the ability for children to regulate their emotions and the impact these can have on others engaged in the program.

Regular and ongoing communication with parents is an important component of each day. Leaders support positive and responsive interactions among the children, parents, and child care providers. Communication may be in person, by phone, e-mail or through written and posted communication tools. Parents will be advised of community resources outside of the centre such as Ontario Early Years Centres, Lansdowne Children's Centre, City Child Care services, Brant County Health Unit, etc., as it is an integral part of supporting our children and their families.

As appropriate, communication will come from all levels of the organization; the Board of Directors, the Executive Director, Supervisors and Program Leaders.

Respecting...

MENTAL HEALTH

Respectful, inclusive and engaging environments where young people feel welcomed, accepted, valued and respected are provided. Programs cultivate caring relationships and connections with peers, family members and community. Leaders nurture young people's confidence and provide them with opportunities to develop and grow their skills. Programs enable children to sustain meaningful relationships, develop positive self-image, and be respectful of themselves and others. Resilience is fostered by working with young people, their families and our community.

Reflecting...

PRACTICES

Leaders are reflective practitioners who learn about children through listening, observation, documentation, and discussion with others, families in particular, to understand children as unique

individuals. They observe and listen to learn how children make meaning through their experiences in the world around them, and use this to have meaningful interactions, and engage children on a daily basis.

Building...

RELATIONSHIPS

The Club builds on the strength of families by supporting parents/guardians in their role of raising and educating their children. Parents/guardians are respected as their child's first teachers and a strong partnership between home and the Club is essential.

As a community based organization it is imperative that the Club has positive and well established relationships and partnerships with other community agencies such as Woodview Mental Health & Autism Services, City of Brantford Child Care, Lansdowne Children's Centre, Family & Children's Services, Brant County Health Unit, etc., in order to meet the needs of our families effectively.

The Boys and Girls Club of Brantford is committed to the UN Convention on the Rights of the Child, the principles of the Ontario Human Rights Code and the Child Care and Early Years Act.

Supporting...

PROFESSIONAL DEVELOPMENT

Ongoing opportunities for Leaders and other individuals who interact with our children, which will enhance professional capacity, engage in reflection and discussions with others about Pedagogy and related practices. Supporting ongoing professional development occurs through a variety of ways including online learning, workshops, conferences, etc., Leaders build a climate of trust, support, honesty, collaboration, mentorship and respect, building on healthy professional relationships that encourage continuous growth & development.

Leaders continually review and reflect on the Program Statement, documenting the impact it has on children and their families.

The Developmental Assets® Framework

Time spent with caring adults outside of the home and classroom can have a profound impact on how children and youth see themselves and the world around them. We know that out-of-school programs ranging from mentorship, sports, creative arts, technology, leadership or academic support, have the potential to build social and emotional skills that are critical to young people's success.

Search Institute has identified 40 positive supports and strengths that young people need to succeed. Half of the assets focus on the relationships and opportunities they need in their families, schools, and communities (external assets). The remaining assets focus on the social-emotional strengths, values, and commitments that are nurtured within young people (internal assets).

The Club believes that with a focused and intentional approach when working with our children and youth we can provide opportunities, experiences and relationships that build upon and strengthen their

assets. We employ trained Search Institute Developmental Asset trainers who provide workshops, resources, guidance and supports to our employees working with school-age children and youth.

SECTION A - GENERAL INFORMATION

We are very pleased to welcome you to the Before/After School/PA Day Programs of the Boys & Girls Club of Brantford. We feel privileged to share in the responsibilities and joys of seeing your child develop socially, emotionally, intellectually and physically.

Safe reliable care is provided by our trained staff to small groups of children in a warm, stimulating and positive environment.

All activities encompass physical activity, nutrition and asset building (personal growth and development), as required by the Club's 'Step It Up' *philosophy* and the Ministry of Education.

Our interest is in establishing children's personal values, developing physical, social, intellectual, emotional skills. There are a variety of activities offered to enable each child to further him/her during their time spent with us.

Ours is an 'Open Door' policy. You are welcomed to come in and see your child in his/her setting of imaginative, creative and interactive play with other children.

The purpose of this handbook is to make you aware of our policies and procedures and all other pertinent information about the program. Please read this handbook carefully and keep it for future reference. If you have any questions, please feel free to contact the program Supervisor.

AGES

Children ages 3.5-12 years can be registered in the Before and/or After School Programs *depending* on program location.

RATIOS/GROUP SIZE

Our programs are licensed by the Ministry of Education to a capacity of;
60 school-age children per day – Edge Street location
30 school-age children per day – Banbury Child Care
20 Kindergarten children per day – Kiddy Korner Daycare
20 Kindergarten children per day – Banbury Child Care
Dependent on resources available (ie. staffing, etc.) we may limit a program to a manageable capacity of children per day.

According to the Child Care and Early Years Act, staff to children ratio is 1 staff per 13 kindergarten children and 1

staff per 15 school age children.

As numbers require and staffing permits, we divide our program group into age groups as follows: 3.5 - 5 year olds, 6 - 9 year olds, 10 - 12 year olds. As numbers allow, these groups may be combined for larger activities.

LEADERS, STUDENTS, VOLUNTEERS

Our leaders are committed to the provision of high-quality care.

Students from community educational institutions often take part in our program as part of their learning.

Volunteers may also assist in our program. All leaders, students, and volunteers are interviewed and must have an approved Criminal Background check prior to joining the program.

DAYS/HOURS OF OPERATION

Before/After School Care Programs

Before and/or After School Care will be provided throughout the months of September to June based on the Public School Board (Grand Erie District School Board) calendar.

The Before/After School Program does not operate based on the Separate School Board calendar.

The program operates daily from;

- 1) *KINDERGARTEN & SCHOOL-AGE BEFORE/ AFTER SCHOOL PROGRAM*
*** BEFORE SCHOOL PROGRAM ONLY SERVICES AGNES HODGE SCHOOL*

Edge Street location

7:15am – 8:45am & 3:05 pm – 5:45 pm

- 2) *KINDERGARTEN & SCHOOL-AGE BEFORE/AFTER SCHOOL PROGRAM*

Banbury location

7:00am – 8:45am & 3:05pm – 5.45pm

SPECIAL NOTICE TO EDGE STREET SCHOOL-AGE REGISTRANTS

Participants must be picked up by 5:45 p.m. If participants have Memberships in our Evening Drop-in program, they must first be picked up for dinner, and they then may return to the Club.

PA Day Care Programs

7:30am – 5:45pm

PA DAY PROGRAMS ACCEPT REGISTRATIONS ON A FIRST COME FIRST SERVED BASIS. YOUR CHILD WILL NOT AUTOMATICALLY BE REGISTERED IF THEY ARE CURRENTLY REGISTERED IN THE BEFORE AND/OR AFTER SCHOOL CARE PROGRAMS. INFORMATION WILL BE POSTED REGARDING REGISTRATION FOR THESE PROGRAM IN ADVANCE. A MINIMUM NUMBER OF REGISTRANTS ARE REQUIRED TWO WEEKS IN ADVANCE OF THE PA DAY OR THE PROGRAM WILL NOT BE OFFERED – ENSURE YOU REGISTER WELL IN ADVANCE AND HAVE ADDITIONAL

ARRANGEMENTS SHOULD THE PROGRAM NOT OPERATE.

BAGGED LUNCHES

Participants of PA Days are required to bring their own labelled lunch and morning snack. We provide an afternoon snack.

Please:

- do not send lunches that require refrigeration or heating, use ice packs to keep cold lunches cold and a thermos to keep food items warm
- Be respectful of the agency anaphylaxis policy and expectations

The Ministry of Education encourages families to use guidelines provided in Canada's Food Guide when preparing lunches and snacks, such as (but not limited to):

- Roasted turkey wrap, cheese slices, yogurt mixed with fruit, vegetables and dip, oatmeal cereal bar, white milk
- Whole grain crackers, cheese string, celery and cucumber sticks, hard boiled eggs, milk pudding cup, 100% fruit juice
- Bran muffins, left over pasta or rice, or a Whole wheat scone with apple butter
- Using grains where the first ingredient is "whole grain whole wheat flour".-
- Look for partly skim milk cheeses with 20% M.F or less.
- Choose canned fruit packed in juice or light syrup.
- Look for lower fat yogurt. Or choose a low fat plain yogurt and add sliced fresh strawberries
- Choose white milk (2% MF or less), chocolate milk (1% MF) or fortified soy beverage (plain or flavoured).
- Choose low fat dips, tzatziki, hummus or salsa

If lunch is forgotten or needs to be supplemented due to the presence of allergen containing foods or foods of low nutritional value we will provide lunch/snack for an additional fee of \$7.50, however this is an exception and will not be permitted on a regular basis.

HOLIDAYS

All programs are closed on the following holidays which fall within the school year:

1. New Year's Day
2. Family Day
3. Good Friday
4. Victoria Day
5. Thanksgiving
6. Christmas Day
7. Boxing Day

Parent/guardians will be notified of any additional days of closure through notices posted on the sign in/out sheet. During the winter months please keep tuned to CKPC Radio for indication of closures due to weather conditions. There will be no refunds for unpreventable closures due to bad weather.

T RANSPORTATION/CATCHMENT AREA

(Applicable to Edge Street location ONLY)

Transportation Services are limited and provided from PRE-DETERMINED SCHOOL LOCATIONS.

Consideration for new locations is made on an individual basis and the ability to service this location. All children registered in the Kindergarten/School-Age After School Program are transported to the facility from school unless other arrangements have been previously determined. **Please be aware that on rare occasions the Clubs vehicles/driver may not be able to transport – in this event the Club utilizes a local taxi company to transport children to the program.** Authorization for your child/ren to be transported via this alternative is located in the policy acknowledgement sign off form at the end of the registration package.

Contact the Club for a listing of pre-determined school locations.

Transportation is based on registration and the Club reserves the right to make changes as it deems necessary. Requests for new locations should be directed to the Program Supervisor.

P ARKING

Please be aware of small children and take extra care when driving on the premises. Please do not park in the spots marked for those with disabilities unless you are entitled to do so. Please be respectful of our 'no-idling' zone and help us help the environment.

P ERSONAL BELONGINGS

The programs are not responsible for any lost items or belongings.

It is recommended that your child/ren leave any valuable items at home.

If your child is prone to accidents, we ask that he/she is sent to the program with an extra set of clothing in case of accidents or emergencies.

Indoor shoes must be provided. This helps to eliminate the amount of dirt/mud being brought into the facilities.

S NACKS/LUNCHES

The Before/After School Programs offer a nutritious snack.

On PA Days participants are required to bring their own lunch. We ask that you do not send lunches that require refrigeration or heating.

Please inform leader if you would like to bring in special treats for special days (ie. Birthdays).

PLEASE NOTE: The program CANNOT accept treats that are homemade. Any treats brought into the program must be purchased from an establishment which has been regulated and approved by the Brant County Health Unit.

S NACK BAR – Edge Street location ONLY

Children are not permitted to purchase items from the snack bar while in the After School Program.

RELIGION

We recognize that there are many different religions and cultures within our community and we attempt to be aware of their practices. In our program we follow activities as per schedule, however, we can provide separate activities for those who choose not to join in due to religious or cultural beliefs.

It is your choice as a parent/guardian, whether or not to send your child to the program on special holidays or occasions. Absolutely no segregation of children will occur for any reason.

VIDEOS

Videos are considered an enhancement to the program when used in the proper context (ie. to provide the opportunity to see or learn about a topic of interest.)

During extended periods of weather that prohibits outdoor play, videos may be viewed in conjunction with a rainy day gross motor plan. As videos are not part of regular planning, they are used only as previously stated. Staff will consult with their supervisor prior to use.

The types of videos permitted:

- rating - general or family
- age appropriate
- follows interest of child
- transmits culture - exposes children to other cultures
- supports music, dance or art
- thirty (30) minutes maximum

The name of the video, length, rationale and rating will be recorded in the daily log.

PARENT/GUARDIAN FEEDBACK

Please remember ours is an 'open door' policy and we encourage you to speak with your program Supervisor at anytime regarding the continuous involvement in your child's care.

PARENT/ISSUES AND CONCERNS

Parents/guardians are encouraged to take an active role in our child care centre and regularly discuss what their child(ren) are experiencing with our program. As supported by our program statement, we support positive and

responsive interactions among the children, parents/guardians, child care providers and leaders, and foster the engagement of and ongoing communication with parents/guardians about the program and their children. Our leaders are available to engage parents/guardians in conversations and support a positive experience during every interaction.

All issues and concerns raised by parents/guardians are taken seriously by the Boys and Girls Club of Brantford and will be addressed. Every effort will be made to address and resolve issues and concerns to the satisfaction of all parties and as quickly as possible.

Issues/concerns may be brought forward verbally or in writing. Responses and outcomes will be provided verbally, or in writing upon request. The level of detail provided to the parent/guardian will respect and maintain the confidentiality of all parties involved.

An initial response to an issue or concern will be provided to parents/guardians within 2 business day(s). The person who raised the issue/concern will be kept informed throughout the resolution process.

Reviews of issues and concerns will be fair, impartial and respectful to parties involved.

Confidentiality

Every issue and concern will be treated confidentially and every effort will be made to protect the privacy of parents/guardians, children, leaders, students and volunteers, except when information must be disclosed for legal reasons (e.g. to the Ministry of Education, College of Early Childhood Educators, law enforcement authorities or Brantford Family and Children Services).

Conduct

Our organization maintains high standards for positive interaction, communication and role-modeling for children. Harassment and discrimination will therefore not be tolerated from any party.

If at any point a parent/guardian, provider or leaders feels uncomfortable, threatened, abused or belittled, they may immediately end the conversation and report the situation to the supervisor and/or licensee.

Concerns about the Suspected Abuse or Neglect of a Child

Everyone, including members of the public and professionals who work closely with children, is required by law to report suspected cases of child abuse or neglect.

If a parent/guardian expresses concerns that a child is being abused or neglected, the parent will be advised to contact Brantford Family and Children Service directly.

Persons who become aware of such concerns are also responsible for reporting this information to Brant Family and Children Services as per the "Duty to Report" requirement under the *Child and Family Services Act*.

For more information, visit <http://www.children.gov.on.ca/htdocs/English/childrensaidthereportingabuse/index.aspx>

Procedures

Nature of Issue or Concern	Steps for Parent and/or Guardian to Report Issue/Concern:	Steps for Leader and/or Licensee in responding to issue/concern:
<p>Program Room-Related</p> <p>E.g: schedule, sleep arrangements, toilet training, indoor/outdoor program activities, feeding arrangements, etc.</p>	<p>Raise the issue or concern to</p> <ul style="list-style-type: none"> - the classroom leader directly <p>or</p> <ul style="list-style-type: none"> - the supervisor or licensee. 	<ul style="list-style-type: none"> - Address the issue/concern at the time it is raised or - arrange for a meeting with the parent/guardian within 2 business days. <p>Document the issues/concerns in detail. SECTION B - FINANCE/ADMINISTRATION

CANADA -WIDE EARLY LEARNING & CHILD CARE SYSTEM

In 2022, Ontario signed the Canada-Wide Early Learning and Child Care Agreement (CWELCC) with the Government of Canada. Significant new federal investments through this agreement will support: fee reductions, increasing the number of licensed child care spaces, addressing barriers to providing inclusive child care, and supporting the early childhood workforce.

Funding under the CWELCC Agreement will be used to build and leverage the success of Ontario's existing early learning and child care system by increasing quality, accessibility, affordability and inclusivity in early learning and child care, towards achieving the objectives of: a. Providing a 25% fee reduction (for eligible children) retroactive to April 1, 2022 building to a 50% reduction in average parent costs for licensed early learning and child care and reaching an average parent fee of \$10 a day by 2025-26 for licensed child care spaces; b. Creating 86,000 new high-quality, affordable licensed child care spaces (relative to 2019 levels), predominantly through not-for-profit licensed child care; c. Addressing barriers to provide inclusive child care; and d. Valuing the early childhood workforce and providing them with training and development opportunities.

"Eligible Children" means any Child under six years old; and up until June 30 in a calendar year, any Child who (a) turns six years old between January 1 and June 30 in that calendar year, and (b) is enrolled in a licensed infant, toddler, preschool or kindergarten group, a licensed family age group, or home child care, as defined in the Child Care and Early Years Act, 2014.

Please note, BGC Brantford was successfully approved to participate in CWELCC as of November 17, 2022. For more information on CWELCC, please see below

REGISTRATION PROCEDURES

Once the decision has been made to register a child in our program, a Registration Package must be completed. Registration forms can be completed online at www.bgcbrant.ca

Incomplete registration packages will not be accepted or processed.

Registration is limited and is on a first come, first served basis.

FEES

Fees for the Programs are as follows:

BGC Brantford Before/After School/PA Day BASE Fees	
Base Fees	January 2023

School-Aged After School	\$10.00/day
School – Aged Before and Afterschool	\$19.00/day
Kindergarten PA Day	\$19.14/day
School-Aged PA Day Program	\$40.50/day
School-Aged PA Day - Early/Late Supervision	\$5.50/day *Can only choose early OR late.

BGC Brantford Before/After School Program NON-BASE Fees		
Non-Base Fees	Cost	More Information in Parent Handbook
Late Fees	\$1/minute	See 'Late Fee Penalty Payment'
Income Tax Receipt -Replacement Fee	\$25/receipt	See 'Income Tax Receipts'
NFS Fee	\$30/NFS	See 'Fee Payment Procedures'
Field Trip & Outings Fee	Cost will vary per outing	See 'Field Trip'
Snack Bar	Cost will vary per student	See 'Snack Bar'

FEE PAYMENT PROCEDURES

Fee's for service are required monthly. All fees' are to be paid in advance of services being provided.

Fee's can be paid in cash, visa, mastercard or debit.

IMPORTANT INFORMATION

Although the agency recognizes there are times when payment for services may be made by another individual other than that who has signed the registration package, it is important to note that the agency's contract is with the individual who has signed the registration package. Should accounts be in arrears the agency will expect payment in full from the individual who has signed the registration package. Should payment not be received this is the individual who's information will be forwarded to our collection company.

INCOME TAX RECEIPTS

Income tax receipts are received at the time of purchasing service (payment receipt issued).

If copies of receipts are required at a later date, a \$25.00 administrative fee, per receipt, will apply.

REFUNDS

There are no refunds for days missed by a child, including those due to illness or in the event the program is closed for reasons beyond our control (ie. long disruption in essential services, bad weather). **There are no refunds given unless a child is TOTALLY withdrawing from the program and adequate notice is given (2 weeks written).**

In extreme circumstances, refunds may be considered when a doctor's note is produced by the parent/guardian.

ABSENCES/SERVICE CHARGES

Parent/guardians must notify the program as soon as possible regarding their child's absence from the Before and/or After School Program. If this is on the day your child is to attend, **notification must be prior to 7:00am (before school care) and 2:00pm (after school care).**

Parent/guardians who do not notify the program of their child's absence from the program or their child's attendance without registration **will be charged an additional \$5.00 per occurrence.**

LATE FEE PENALTY PAYMENT

Parent/guardians who pick up their child after the program's closing hours (by the program's clock) are subject to a late fee penalty.

The late fee is as follows:

\$1.00 per minute that the parent/guardian is late

The late fee is paid directly to the leader who has been required to stay past their shift to supervise the child.

Parent/guardians are required to sign the 'Awareness of Late Fee Penalty' section located in the Enrolment Package.

This fee is not included in the parent/guardian's monthly statement or their tax receipt.

SCHOOL/PROGRAM CLOSURE

School or program closure may result on severe snow storm days. Listen to your local radio station (CKPC) for announcements. The Before and/or After School Programs will not operate when the schools are closed or we feel transporting participants (Edge Street ONLY) to the Club could pose a safety concern. If **we** choose to close the program down, we will notify parent/guardians by phone. When **we** choose to close the program, parent/guardians will be credited for the lost day. **Refunds will not be given** if a decision to close a school is made by either school board.

ENROLLMENT AND WITHDRAWAL

Leaders are available to answer any questions or assist the parent/guardian in completing the enrolment forms. Packages can be picked up at program locations.

Written notice of 2 weeks must be received in order for a parent/guardian to withdraw their child from the program.

If the required 2 weeks written notice is not given, the parent/guardian will be invoiced for the 2 week time period.

TERMINATION OF SERVICES

Our program is operated in the best interest of the children and leaders who take part in the program offered. At least one of the following criteria must be met if the program wishes to terminate the services offered to a child or family;

- the child exhibits behaviour which may be detrimental or bring harm to those around him/her
- the safety and/or health of the children and leaders within the program is in jeopardy
- the centre and its leaders are not able to meet the needs of a child
- behaviours of parent/guardian are deemed detrimental to the programs and services
- established fees have not been paid in advance of service

To implement the Termination of Services Policy, the following steps must first be taken;

- Program Supervisor will notify parent/guardian, in verbal and written form, with their concerns and explain the steps being taken by the agency as they attempt to resolve the behaviours in question. The agency will note the steps they have taken and the outside resources which have been contacted. These resources should include such agencies as the Brant Family and Children's Services, Family Counselling Centre, Lansdowne Children's Centre, Early Years Centre, Woodview Children's Centre and/or the Ministry of Education.
- A meeting with parent/guardian and Program Supervisor will be arranged at a convenient time for both parties. It will be at this time when outside professionals may be approached for further assistance with written permission from the parent/guardian. A plan will be developed and appropriate time lines negotiated.

NOTE: In extreme cases where the safety of the participants and/or leader is in jeopardy, the child may be asked to leave the program until a plan of care can be determined

- When the agreed upon time line has passed and the program feels the concerns have not been resolved, written notice will be provided noting the termination of services for the child in question at the end of a

two week period or *immediately if deemed necessary*.

Throughout this process written documentation will be maintained and made available to the child's parent/guardian upon request.

Note: If termination is due to overdue accounts, the above process does not apply and termination procedures would be determined at the discretion of the Program Supervisor and/or Executive Director.

ARRIVAL AND DEPARTURE

When a child arrives it is the parent's responsibility to ensure a leader is notified of their presence. Similarly, when a parent is picking up their child it is their responsibility to ensure a leader is informed they are leaving with their child.

Special permission may be obtained for parent/guardians of children in Grade 4 or older to walk home unescorted.

The programs have sign-in/out forms which parent/guardians are required to utilize. The parent/guardian or authorized adult who picks the child up must complete the sign out sheet. Program leaders will sign children in upon arrival for the After School Programs. This gives an accurate record of attendance in the case of an emergency and indicates a handing over of responsibility for the care of the child.

The program must ensure that a sign in/out sheet is available in a designated area each day. Each parent/guardian will need to put their initials next to their child's name on each day their child attends.

Unless otherwise arranged, children will not be released to any other person than those who are specified on the child's enrolment forms.

Please make all authorized individuals for pick up aware that if a particular leader is not familiar with them, that they will be required to produce photo identification issued by the Province of Ontario or the Government of Canada for verification purposes.

WAITLIST

The Boys and Girls Club develops and maintains a waitlist for each of its MEDU licensed programs.

Priorities

- 1) Siblings of current participants - Parent/Caregiver must provide the program with a written request for a child to be placed on a program waitlist – this must include name, age , requested program and number of days required.
- 2) Families waiting to transfer from one program to another
- 3) Returning families - Parent/Caregiver must provide the program with a written request for a child to be placed on a program waitlist – this must include name, age , requested program and number of days required. The time span between the withdrawal of a family and their new waitlist request must not exceed 2 years.

Special Consideration: Special consideration may be given to families on the waitlist who risk losing fee subsidy if they are not able to secure a child care space within a specific time frame, and to children referred to the Club by support organizations with which the Club has a partnership.

NOTE: Waitlist priorities render the waitlist dynamic, which means that a first place on the waitlist may be pushed down by a new waitlist family with a higher priority.

Waitlist Management

To ensure that families gain access to Club programs in the shortest time possible, the following practices are put in place:

- The date of registration on the waitlist will reflect the date the registration form was received by the supervisor
- A family who refuses a space the first time offered or fails to return a first call within one week will retain its priority on the waitlist
- A family who refuses a space when offered a second time or fails to return a second call within one week will be placed at the end of the waitlist
- A family who refuses a third offer for a space or fails to return a third call within one week will be withdrawn from the waitlist. Once withdrawn from the waitlist, a family must forward a new written request to be placed on the waitlist
- It is the parent/caregiver's responsibility to call or email the specific program supervisor to bring changes to their contact information

When a space becomes available, the family at the top of the waitlist will be contacted, whether the space is full-time or part-time. Once a child is registered, it becomes possible to eventually accommodate for more specific needs, for example, going from a part-time to a full-time space or changing program locations.

Access to Waitlist

Family Identification

When a family is placed on the waitlist, they will be given a 'identification code' – this code will be a letter selected from the alphabet (eg. Family 'A'). All other identifying information regarding the child(ren) or family will be kept confidential.

Chart

Each centre will have a waitlist chart, posted on the parent information board that will reflect the following information:

- Family identification code
- Columns listing programs
- 'X' to identify requested program

This chart will be updated and posted monthly

Example

Family ID Code	Toddler PT	Toddler FT	Preschool FT	Preschool PT
A	X			
B	X		X	

Access

If a family inquires as to their status on the waitlist they can either be given this information:

- Verbally from supervisor
- Waitlist can be forwarded electronically (email)
- Viewed on parent information board

SECTION C - BEHAVIOUR MANAGEMENT

Child Behaviour and Guidance Techniques

- Participants will be guided in a positive manner that is appropriate to their age and developmental level
- Guidance will assist participants to understand and learn self discipline and appropriate behaviours
- All rules and guidelines will be clearly outlined to all participants - they will be repeated and reviewed as necessary
- Regular leader intervention will be in the form of praise, encouraging comments, recognition, and reminders to participants of acceptable behaviour - where possible, intervention will permit logical consequences; physical contact with participant will be discouraged
- Leaders, students, and volunteers will use positive, supportive voices and vocabulary, model acceptable behaviour and not discuss the child's misbehaviour in front of them
- Snacks - participants will be encouraged to feed themselves and to at least taste all foods - force feeding or the withholding of any food or drink is not allowed
- Participants will be encouraged to work both independently and cooperatively with other participants and leaders
- If a leader feels her/himself losing patience with a participant or situation, they will seek assistance. This is not viewed as a weakness but rather as professionalism, it happens to everyone occasionally but will never be a reason to penalize a child
Leaders and volunteers who are having difficulties with any aspect of their position are encouraged to seek guidance or assistance the program supervisor

Strategies for Challenging Behaviours

In the event that any participant misbehaves, one or more of the following techniques will be employed;

1. Leaders will watch for potential problems and intervene before problems arise. Example: change activity, separate participants
2. Wherever misbehaviour is considered attention seeking, it will be ignored, unless it poses a potential danger
3. Participants will be given clear direction by leader regarding the limits of the program/activities

4. Leader will observe the undesirable behaviour or obtain as much information as possible prior to forming judgements
5. Leader will bring the inappropriate behaviour to the participant's attention, explaining why it is inappropriate. Engage in a problem-solving process with the participant to determine behaviour modification and consequences if the behaviour re-occurs
6. If the behaviour re-occurs, the participant and leader will review the problem-solving process and follow the pre-determined consequences. Consequences may include:
 - redirection to another activity
 - time out: Time outs will be seen as an acceptable. Following the time out, staff will review the problem with the participant and determine how the problem can be solved/prevented in the future. Length of time out is based on the readiness of the participant to return to the program (i.e. de-escalation has occurred).
7. Continuous poor behaviour will result in removal from all activities and a report will be made to the parent/guardian
9. Staff will acknowledge the child's feelings
10. Staff response to misbehaviour will be in a supportive voice-focus on the intervention not the child

Prohibited Practices

No licensee shall permit, with respect to a child receiving child care at a child care centre it operates or at a premises where it oversees the provision of child care,

(a) corporal punishment of the child;

(b) physical restraint of the child, such as confining the child to a high chair, car seat, stroller or other device for the purposes of discipline or in lieu of supervision, unless the physical restraint is for the purpose of preventing a child from hurting himself, herself or someone else, and is used only as a last resort and only until the risk of injury is no longer imminent;

(c) locking the exits of the child care centre or home child care premises for the purpose of confining the child, or confining the child in an area or room without adult supervision, unless such confinement occurs during an emergency and is required as part of the licensee's emergency management policies and procedures;

(d) use of harsh or degrading measures or threats or use of derogatory language directed at or used in the presence of a child that would humiliate, shame or frighten the child or undermine his or her self-respect, dignity or self-worth;

(e) depriving the child of basic needs including food, drink, shelter, sleep, toilet use, clothing or bedding;
or

(f) inflicting any bodily harm on children including making children eat or drink against their will.

No one shall;

- 1) lock or permit to be locked for the purpose of confining a participant, the exits of the program room
- 2) use a locked or lockable room or structure to confine a participant who has been withdrawn from other participants

SECTION D - HEALTH & SAFETY

CUSTODY POLICY

It is the function of Club personnel to take care of the children. Club personnel are not lawyers or judges, and are not trained to interpret court Orders, or mediate disputes between parents. Therefore, it is incumbent on sole and joint custody parents, to cooperate fully with Club personnel, and one another, in regard to this policy, in order to advance the best interests of the children.

THE AGENCY WILL REMAIN NEUTRAL AND REFRAIN FROM OFFERING ADVICE AND/OR PROVIDING WRITTEN DOCUMENTATION IN REGARDS TO THE STATUS AND/OR WELL BEING OF A CHILD IN OUR CARE.

Sole Custody

Upon enrolment, the program requires a photocopy of the court Order stating that it is a sole custody arrangement. A copy of the court Order is to be retained in the child's file.

This is extremely important documentation for the program to have - without a court Order showing proof that one parent does not have access to a child, the agency and/or police department cannot stop a parent from taking a child.

Joint Custody

Upon enrolment, the program requires a photocopy of the court Order stating that it is a joint custody arrangement.

Because both parents in a joint custody arrangement have shared rights and responsibilities, and because a variety of joint custody arrangements are possible, it is recommended that both custody parents register the child(ren) in the program.

If one of the two parents (ie. Primary care parent) has exclusive decision-making responsibility with regard to care responsibilities, then it is permissible for that for that parent alone to register the child(ren) in care, in accordance with the court Order.

Where there is any particular, special child care, or emergency notification requirements, the parents or primary care parent have a responsibility to advise the program of any such requirements in writing upon registration of the child(ren). For instance, if one or both joint parents are to be notified or contacted in case of emergency or other important situations arise, then it should be specifically mentioned in the application for care.

A copy of the court Order is to be retained in the child's file.

Custody Changes

If a parent has recently changed their custody arrangements, it is the parent's responsibility to provide the program Supervisor with the necessary copies of the court Order.

SUPERVISION

To help support the safety and well-being of children within our programs, the Club will ensure that every child who is in attendance in one of our licensed programs is supervised by an adult at all times. No child will be supervised by a person under 18 years of age. Only employees will have direct unsupervised access to children and volunteers or students will not have sole supervision responsibilities for children at any time. Additionally, volunteers and students may not be counted in the staffing ratio.

SERIOUS OCCURRENCES

All licensed child care programs are responsible for delivering services that promote the health, safety and well-being of children. Serious occurrence reporting is one of the many tools that provide licensed programs with an effective means of monitoring the appropriateness and quality of service delivery.

Parents also benefit from information about accidents that occur in licensed child care programs, the immediate actions taken to respond to incidents and any longer term actions the operator has taken to minimize the recurrence of the incident.

Following submission of the Serious Occurrence Report to the ministry, the centre will complete a Serious Occurrence Notification Form to communicate information to parents about serious occurrences that have occurred. The SONF will be posted near the child care license and licensing summary chart. This form will be updated as additional actions or investigations are completed. The SONF will be posted for a minimum of 10 business days. If the form is updated with additional information such as additional actions taken by the operator, the form remains posted for 10 days from the date of the update

EMERGENCIES

We ask that all CHANGES of address, telephone number, employment, doctor's etc., be reported to the Program Supervisor immediately. It is the parent's responsibility to notify the Supervisor of any changes.

Current information is kept on file in case of emergencies and consent forms must be signed in the event that the parent or guardian cannot be reached.

MEDICATION AND ADMINISTRATION OF DRUGS

A medication authorization form must be completed by the child's parent or guardian before any drugs can be administered to a child.

ALL MEDICATION MUST BE BROUGHT TO THE PROGRAM IN THE ORIGINAL CONTAINER THAT IT WAS PRESCRIBED IN, WITH THE NAME OF THE CHILD AND THE DOSAGE REQUIRED ON A PHARMACY/DOCTOR'S LABEL. ONLY THE EXACT AMOUNT LISTED WILL BE GIVEN.

There may be extenuating circumstances when a medical physician, as part of a life-threatening emergency protocol, also incorporates an 'over the counter' medication into the child's EMERGENCY RESPONSE PLAN. ONLY when the physician includes this information and instructions in the Emergency Response Plan and it is accompanied with the physician's signature, will non-prescription medication be administered.

IMMUNIZATIONS

An immunization confirmation form must be completed and submitted with registration.

ILLNESS

All children attending our program are informally assessed for symptoms of ill health daily, before admission into the program. Children will be excluded if they show symptoms of a contagious nature or infections. These symptoms may be;

- green/yellow runny nose if accompanied by any one or combination of the following;
- acute cold
- runny eyes
- sore throat
- undiagnosed rash
- vomiting
- diarrhea
- fever of 101F or higher
- infected hair or skin
- open sores

The child cannot return to the program until they are symptom free for 24 hours, with few exceptions. When a child develops symptoms while in the program, all symptoms will be recorded in a Symptoms of Ill Health Form located inside each child's file.

The child's parent/guardians or emergency contact will be notified immediately of the child's condition and will be asked to come and pick the child up.

OUTBREAK POLICY

When an outbreak is suspected (the Brant County Health Unit considers two or more cases of an illness to be an outbreak), the program supervisor will contact the Health Unit and inform them of the symptoms and the number of children involved. The Health Unit will determine whether the seriousness and number of cases determines an outbreak. During an outbreak, all toys will be disinfected on a daily basis and children will be excluded from the program until the Medical Officer of Health judges them well enough to resume attendance.

COMMUNICABLE DISEASE (*Chicken Pox*)

The Health Unit states that children are contagious prior to the break out of sores, therefore can return to school while sores are still visible.

It is our policy, that in order to protect the child from further infection and disease that the child stays at home until scabs have formed. This precaution will ensure continued protection against further complications to the child's health.

Although we adhere to the Health Unit's standards and use universal precautions, it is always necessary to cover open sores of any type. By the very nature of care and children's developmental levels, germs and disease can be passed on through contact. In order to protect a child from untold complications to open sores and also protect the majority, it is much safer to use extra precautions and preventative measures of the seven day time period.

Pediculosis (Head Lice)

Children who show any evidence of head lice will not be permitted in the programs. It is the responsibility of parents/guardians to ensure their children are properly and thoroughly treated before returning to the program.

ANAPHYLAXIS (Allergies)

Anaphylaxis is a serious allergic reaction that can be life-threatening. It requires avoidance strategies and immediate response in the event of an emergency. These policies and procedures are intended to help meet the needs and save the lives of children with severe allergies and provide relevant and important information on anaphylaxis to parents, staff, students, volunteers and visitors at the child care centre. This policy is intended to fulfill the obligations set out under Ontario Regulation 137/15 for an anaphylactic policy for child care centres. The requirements set out in this policy align with Sabrina's Law, 2005.

Note: definitions for terms used throughout this policy are provided in a Glossary at the end of the document.

Ensuring the safety of anaphylactic children or youth within the Boys & Girls Club programs is a shared responsibility that necessitates the cooperation of all. The Club strives to provide a safe environment for children and youth, **but it is not possible to reduce the risk to zero**. The Club will take reasonable efforts to restrict the presence of known life-threatening allergens in our programs when participant's lives may be threatened by the presence of those allergens.

Individualized Plans and Emergency Procedures for Children with Life-Threatening/Anaphylactic Allergies

- Before attending the program, the supervisor/designate will meet with the parent of a child to obtain information about any medical conditions, including whether the child is at risk of having or has anaphylaxis.
- Before a child attends the program or upon discovering that a child has an anaphylactic allergy, an individualized plan and emergency procedures will be developed for each child with anaphylaxis in consultation and collaboration with the child's parent, and any regulated health professional who is involved in the child's care that the parent believes should be included in the consultation.
- All individualized plans and emergency procedures will include a description of symptoms of an anaphylactic reaction that are specific to the child and the procedures to be followed in the event of an allergic reaction or other medical emergency based on the severity of the child's symptoms.
- The individualized plan and emergency procedures for each child will include information for those who are in direct contact with the child on a regular basis about the type of allergy, monitoring and avoidance strategies and appropriate treatment.
- All individualized plans and emergency procedures will be made readily accessible at all times to all staff, students and volunteers at the program and will be posted in all program spaces/rooms, the participants file and in all program binders
- All individualized plans and emergency procedures will be reviewed with a parent of the child 6 months to ensure the information is current and up to date.
- Every child's epinephrine auto-injector must be carried everywhere the child goes.

Strategies to Reduce the Risk of Exposure to Anaphylactic Allergens

The following strategies to reduce the risk of exposure to anaphylactic causative agents must be followed at all times by employees, students and volunteers at the program.

- Do not serve foods where its ingredients are not known.
- Do not serve items with 'may contain' warnings on the label in a room where there is a child who has an individualized plan and emergency procedures specifying those allergens.
- Ask the caterer or cook to provide the known ingredients for all food provided. The ingredients will be reviewed before food is served to children to verify that causative agents are not served to children with anaphylactic allergies.
- In cases where a child has food allergies and the meals and snacks provided by the program cannot meet the child's needs, ask the child's parent to supply snacks/meals for their child. All written instructions for diet provided by a parent will be implemented.
- Where food is provided from home for children, ensure that appropriate supervision of children is maintained so that food is not shared or exchanged.
- Encourage parents who serve foods containing allergens at home to ensure their child has been rid of the allergens prior to attending the program (e.g. by thoroughly washing hands, brushing teeth, etc.)
- Do not use craft/sensory materials and toys that have known allergens on the labels.
- Share information about anaphylaxis, strategies to reduce the risk of exposure to known allergens and treatment with all families enrolled in the program.
- Make sure each child's individual plan and emergency procedure are kept-up-to-date and that all staff, students, and volunteers are trained on the plans.
- Refer to the allergy list and ensure that it is up to date and implemented.
- Update staff, students, and volunteers when changes to a child's allergies, signs and symptoms, and treatment occur and review all updates to individualized plans and emergency procedures.

- Update families when changes to allergies occur while maintaining the confidentiality of children.
- Update or revise and implement the strategies in this policy depending on the allergies of children enrolled at the program.

Rules for Parents Who Send Food with their Child

- Ensure that parents label food brought to the program with the child's full name and if applicable, the date the food arrived at the program
- Parents must advise the program of all ingredients in food supplied by the parent or any ingredients to which children may be allergic.

Communication Plan

The following is our communication plan for sharing information on life-threatening and anaphylactic allergies with staff, students, volunteers, parents and families.

- Parents will be encouraged not to bring foods that contain ingredients to which children may be allergic.
- Parents and families will be informed about anaphylactic allergies and all known allergens at the program centre through email.
- A list of all children's allergies including food and other causative agents will be posted in all cooking and serving areas, in each play activity room, and made available in any other area where children may be present.
- Each child with an anaphylactic allergy will have an individualized plan and emergency procedures that detail signs and symptoms specific to the child describing how to identify that they are having an allergic reaction and what to do if they experience a reaction.
- Each child's individualized plan and emergency procedures will be made available and accessible wherever the child may be present while receiving child care.
- The caterer, cook, individuals who collect groceries on behalf of the program and/or other food handling staff, where applicable, will be informed of all the allergies at the program, including those of children, staff, students and volunteers. An updated list of allergies will be provided to the caterer or cook as soon as new allergies are identified. The supervisor or designate will communicate with the caterer/cook about which foods are not to be used in food prepared for the program and will work together on food substitutions to be provided.
- The program will communicate with the Ministry of Education by reporting serious occurrences where an anaphylactic reaction occurs in accordance with the established serious occurrence policy and procedures.
- This communication plan will be continually reviewed to ensure it is meeting the needs of the program and that it is effectively achieving its intended result.

Drug and Medication Requirements

- Where drugs or medications will need to be administered to a child in response to an anaphylactic reaction, the drug and medication administration policy will be followed including the completion of a parental authorization form to administer drugs or medications.
- Emergency allergy medication (e.g. oral allergy medications, puffers and epinephrine auto-injectors) will be allowed to remain unlocked or carried by children with parental authorization so that they can be administered quickly when needed.

Training

- Director of Programs and Services will ensure that the supervisor/designate and/or all staff, students and volunteers receive training from a parent of a child with anaphylaxis on the procedures to follow in the event of a child having an anaphylactic reaction, including how to recognize the signs and symptoms of anaphylaxis and administer emergency allergy medication.
- Where only the supervisor/designate has been trained by a parent, the supervisor/designate will ensure training is provided to all other staff, students and volunteers at the program.
- Training will be repeated annually, and any time there are changes to any child's individualized plan and emergency procedures.
- A written record of training for staff, students and volunteers on procedures to be followed for each child who has an anaphylactic allergy will be kept, including the names of individuals who have not yet been trained. This will ensure that training is tracked and follow-up is completed where an individual has missed or not received training.

Confidentiality

- Information about a child's allergies and medical needs will be treated confidentially and every effort will be made to protect the privacy of the child, except when information must be disclosed for the purpose of implementing the procedures in this policy and for legal reasons (e.g. to the Ministry of Education, College of Early Childhood Educators, law enforcement authorities or a Children's Aid Society).

Procedures to be followed in the circumstances described below:

Circumstance	Roles and Responsibilities
<p>A) A child exhibits an anaphylactic reaction to an allergen</p>	<p>The person who becomes aware of the child’s anaphylactic reaction must immediately:</p> <ul style="list-style-type: none"> implement the child’s individualized plan and emergency procedures; contact emergency services and a parent/guardian of the child, or have another person do so where possible; and ensure that where an epinephrine auto-injector has been used, it is properly discarded (i.e. given to emergency services, or in accordance with the drug and medication administration policy). <p>Once the child’s condition has stabilized or the child has been taken to hospital, staff must:</p> <ul style="list-style-type: none"> i. follow the child care centre’s serious occurrence policies and procedures; <p>document the incident in the daily written record; and</p> <p>document the child’s symptoms of ill health in the child’s records.</p>
<p>B) A child is authorized to carry his/her own emergency allergy medication.</p>	<p>1. Staff must:</p> <ul style="list-style-type: none"> i. ensure that written parental authorization is obtained to allow the child to carry their own emergency allergy medication; <p>ensure that the medication remains on the child (e.g., fanny pack, holster) and is not kept or left unattended (e.g. in the child’s cubby or backpack);</p> <p>ensure that appropriate supervision is maintained of the child while carrying the medication and of children in their close proximity so that other children do not have access to the medication; and</p> <p>Where there are safety concerns relating to the child carrying his/her own medication (e.g. exposure to other children), notify the centre supervisor/designate and the child’s parent of these concerns, and discuss and implement mitigating strategies. Document the concerns and resulting actions in the daily written record.</p>

Glossary

Anaphylaxis: a severe systemic allergic reaction which can be fatal, resulting in circulatory collapse or shock. Symptoms can vary for different people, and can be different from one reaction to the next, including:

- Skin: hives, swelling, itching, warmth, redness, rash
 - Breathing (respiratory): coughing, wheezing, shortness of breath, chest pain/tightness, throat tightness/swelling, hoarse voice, nasal congestion or hay fever-like symptoms (runny nose and watery eyes, sneezing), trouble swallowing
 - Stomach (gastrointestinal): nausea, pain/cramps, vomiting, diarrhea
 - Heart (cardiovascular): pale/blue colour, weak pulse, passing out, dizzy/lightheaded, shock
 - Other: anxiety, feeling of “impending doom”, headache, uterine cramps, metallic taste in mouth
- (Source: <http://foodallergycanada.ca/about-allergies/anaphylaxis/>)

Causative Agent (allergen/trigger): a substance that causes an allergic reaction. Common allergens include, but are not limited to:

- eggs
- milk
- mustard
- peanuts
- seafood including fish, shellfish, and crustaceans
- sesame
- soy
- sulphites which are food additives
- tree nuts
- wheat
- latex
- insect stings

Epinephrine: A drug used to treat allergic reactions, particularly anaphylaxis. This drug is often delivered through an auto-injector (e.g. EpiPen or Allerject).

Staff (Employee): Individual employed by the licensee (e.g. program room staff).

Licensee: The individual or corporation named on the licence issued by the Ministry of Education responsible for the operation and management of the child care centre.

Parent: A person having lawful custody of a child or a person who has demonstrated a settled intention to treat a child as a child of his or her family (all references to parent include legal guardians, but will be referred to as “parent” in the policy).

WEST NILE VIRUS (*seasonal*)

Ensuring the safety of leaders, children and youth within the Boys & Girls Club program is a shared responsibility that necessitates the cooperation of all. It is important for leaders, parents/guardians to understand the facts and take preventative precautions when possible to help reduce the risk.

It is the responsibility of the parent/guardian to supply their child with an insect repellent. The insect repellent container must be labelled with the child’s full name. Leader will apply and/or supervise the application of insect repellent to all participants who have a signed waiver from their parent/guardian before all outdoor exposure.

EMERGENCY MANAGEMENT

Leader will ensure that children are kept safe, are accounted for and are supervised at all times during an emergency situation. The club does have an emergency management best practice. As soon as possible, Program Supervisor or designate will notify parents/guardians of the emergency situation. When safe to do so, parents will be notified via telephone/email/radio/website/voicemail box
